PROFILE

Computer Engineering student with strong foundations in Machine Learning, mathematics, and system design. Skilled in full-stack development and building scalable applications. Actively seeking Machine Learning / Software Engineering internships.

EXPERIENCE

Chief Marketing Officer – Campus X Connect Aug 2025 – Feb 2026
Led brand strategy and partnerships, expanding outreach across student and corporate ecosystems.

Executive Board Member – Model United Nations (KJSCE) Oct 2025
Moderated debates and evaluated delegates in high-pressure policy discussions.

Organization Team – Smart India Hackathon Sep 2024
Coordinated logistics for a national-level hackathon with large participant engagement.

Symposium Team & Speaker – SMLRA Jun 2024 – Oct 2024
Delivered lectures and made projects on ML topics including OCR and sentiment analysis.

PROJECTS

SoleX – Full Stack E-Commerce Platform
Built a scalable footwear marketplace using React, Node.js, MongoDB, and REST APIs with advanced filtering, cart, wishlist, and real-time search features.

LMS – Library Management System (RDBMS)
Developed a full-fledged web application with PostgreSQL backend; designed a normalized (3NF) schema, optimized queries using indexing and joins, and ensured ACID-compliant transactions.

TransitX – Bus & Train Ticket Booking System
Engineered a full-stack ticket booking platform using Java, HTML, and CSS, supporting dynamic scheduling, seat allocation logic, and real-time booking workflows with modular backend design and user-centric interface.

TECHNICAL SKILLS

Languages: Python, C, C++, Java, TypeScript
Frameworks: React, Node.js, Flask
Databases: MySQL, PostgreSQL, MongoDB
ML Libraries: PyTorch, Pandas, NumPy, Scikit-learn
Core Concepts: Machine Learning Theory, Multivariate Algebra, Integral Calculus, Operating Systems, OOP
Tools & APIs: REST APIs, Git, Github, Power BI, Figma, Canva, Blender, Video Editing

EDUCATION

KJSSE, Mumbai
B.Tech Computer Engineering—CGPA: 8.4
IIT Madras
BS Data Science (Foundational Level cleared)
DAV, Pune
HSC (12th)—81%

EIS, Pune
SSC (10th)—96%

CO-SCHOLASTIC ACHIEVEMENTS

Accomplished Mridangamist—Winner of ICMDA & Akhil Bharatiya Sangh
Recognized Percussionist and Pianist at Poona Sangeetha Sabha
National Level Table Tennis Player
Winner—Somaiya Games, Skream & Somaiya House Cup
Zonal Level Basketball Player

COUNCILS & ENGAGEMENT

Palinoia-Classical Music Club
Table Tennis University Team
Illuminati Head-Literary Club
Maya Somaiya Musical Team

LANGUAGES

English, Hindi, Marathi, Tamil
